

REMARKS

Applicant believes that the amendments submitted herein above, overcome the Examiner's non-compliant amendment determination. In view of the above amendments, and further in view of the remarks and submission of corrected formal drawings in the Applicant's document filed September 12, 2003, claims 21 through 28 are in condition for allowance. An early and favorable response is, therefore, earnestly requested.

Thank you.

Respectfully submitted,

Dated: 10 October, 2003
